Project: DISTRIBUTION SERVICE PROVIDER – LOT 1
Contract No.: C1761/693

Subject: Limited approval for Use of "Medcables" for Low Voltage Network

Response Required: NO

Dear Sir,

Reference to the attached letter 4086 dated 13/9/2024, Service provider is to take note of owner approval on the use of the specified cable sizes (NYY, NYCY) for LV network.

For avoidance of doubt this approval is limited to the drums with the serial numbers listed in the attached letter.

With all proper reserves and without prejudice to the Owner's rights under the Contract.

Sincerely,

Head of DSP Project Management Committee
Dr. Ibrahim Moussa
