Project: DISTRIBUTION SERVICE PROVIDER – LOT 3B
Contract No.: C1763/699

Subject: Limited approval for Use of "Medcables" for Medium and Low Voltage Network cables.

Response Required: NO

Dear Sir,

Reference to the attached letters 6073.6074,6075,6076 dated 26/12/2024, MRAD Company is to take note of owner approval on the use of the specified cable sizes (24KV MV, NYFGBY, Bundled, ALMELEC) for MV and LV networks.

For avoidance of doubt this approval is limited to the drums with the serial numbers listed in the attached letters.

With all proper reserves and without prejudice to the Owner's rights under the Contract, CoM's decision No. 70 and the prevailing laws and ordinances.

Sincerely,

Head of DSP Project Management Committee
Dr. Ibrahim Moussa
